

Dear Sir/Madam,

Warm Greetings from ITRC!

We are delighted to introduce ITRC, a 25-year-old institution dedicated to skill development training, skill assessment, e-governance, corporate training, vocational education, recruitment, livelihood programs, and related fields.

We have collaborated closely with the central government, various state governments, PSUs, and corporates. Recently, we signed a Long-Term Agreement (LTA) with **UNICEF** to impart their **P2E (Passport to Earning)**, online certificate courses under **YuWaah (Generation Unlimited)** initiative.

The initiative offers four distinct online courses for students in self-learning mode:

1. Digital Productivity - 75 Minutes

2. Financial Literacy - 300 Minutes

3. Become Job Ready -200 Minutes

4. Build Your Own Business – 209 Minutes

Benefit to Student:

1. Certification from an International Body.
2. High-quality content, delivered in 21 countries,
3. Candidates will develop the habit of self-learning, a crucial requirement in today's world.
4. It is completely **free of charge**, with no hidden fees.

Benefit to Institute:

1. Institutes could make these certifications mandatory for their students by incorporating them into their assessment systems. This could be achieved by assigning a certain weightage to UNICEF certifications, integrating them into internal assignments, or offering extra credit. This approach would encourage a greater number of students to participate in this valuable program.
2. UNICEF Appreciation Letter: 500+ Certifications

We invite you to join us in this journey to empower our youth by enrolling candidates or students from your esteemed institution/department in the P2E courses. ITRC will facilitate this process, and together we can make this international initiative by UNICEF a resounding success.

Please feel free to contact any of our representatives if you have any queries. **A small presentation is attached herewith for your kind perusal. We also request you to kindly issue us a letter of consent in the attached format on your letterhead so that we can onboard your institution to the P2E Portal of UNICEF and kick-start the project.**

Warm regards,

CA Rizwan Khan
